

**Suppliers' Declaration concerning Compliance with
RoHS-Directive 2011/65/EU**

We

**NET New Electronic Technology GmbH
Lerchenberg 7
D-86923 Finning**

confirm hereby with legally binding effect that the delivered products

(product(s) being delivered)

**CSH6710
CSH6720
1/10" camera head**

fulfill the requirements of the **EU directive RoHS 2011/65/EU**
in the currently valid version of 8. June 2011

regarding the restrictive use of certain hazardous materials in electric appliances within the allowable limits.

We are aware of the legal requirement that possibly prohibited materials and materials subject to declaration have to be specified without prior request. NET cannot warrant that products from NET customers, in which our products are incorporated, will in turn comply with this ROHS declaration.
