All Modular Concept and custom variants (Item ID 05-xxxxY) of the models listed above are affected by the discontinuation.

**Reason for change**

We are discontinuing the Prosilica GB series cameras as it has reached its End of Life (EOL) since its release in 2009. We understand that this discontinuation will cause some challenges to our customers. We will make our best attempts to help our customers transition to equivalent cameras in our portfolio.

### Change description

The listed order codes change over to the status “End of Life” (EOL). Please see the End of life schedule.

### End of life schedule

### Customer action request

Please place your orders by last time buy date. Orders for cameras in EOL status are confirmed and processed, depending on component availability. Apart from this, apply our [terms and conditions](#).

### Possible successor

For all the camera models in the GB series there are board-level options of the Manta camera with the same sensors available. Please check our [product webpages](#) as well as our [Modular Concept document](#) under Manta: options for more information.
