Change Type

Mechanical Specification

Affected Products

See Annex

Change Description

The mass of all affected cameras changes from 60g to 65g for straight connector, and from 65g to 70g for 90° connector. All available lens mounts are affected. See Alvim USB Cameras User Guide for details.

Reason for Change

Improve temperature performance of the affected model.

Impact / Possible Successor

Please check if the increased mass (5 grams) has an impact on your overall system.

First Ship Date

23.03.2022
